

```
Ping statistics for 8.8.8.8:
```

```
Packets: Sent = 4, Received = 4, Lost = 0 (0% loss),
```

```
Approximate round trip times in milli-seconds:
```

```
Minimum = 10ms, Maximum = 10ms, Average = 10ms
```

```
C:\Users\gpavks>
```

**Minimum** is the fastest time it takes for a packet to travel from the computer to the destination and back.

**Maximum** is the slowest time it took for a packet to make the round trip.

**Average** is the average time of all the packets you sent to make the round trip.
